11) NEW BUSINESS

- A. Request to authorize a promotion on existing Promotional List  
Background: With Tyler Myers resigning and taking a position with Gresham FD, it brings our Lieutenant promotional list down to 2 candidates. Typically, we are required to interview 3 candidates when we have one promotional vacancy. As we only have 2 eligible names, our options are to promote from the existing list or complete a new application and testing process.  
Action Requested: Discuss and authorize the Interim Fire Chief to make a promotion from the existing Lieutenant promotional list.
- B. Request to authorize the purchase of placing a manufactured home at the Main Station.  
Background: There is still a need to provide adequate sleeping space for the crews on shifts. The off-site rental "Domicile" has now been vacated in order to improve response times. Research has been conducted to start the process to move forward with placing a manufactured home at the Main Station.
